About Bowhunters Unlimited

Bowhunters Unlimited is an archery club that maintains the archery range within Stevens Creek County Park in cooperation with the Santa Clara County Parks and Recreation Department. The County Parks Department maintains the driveway, parking lot, and rest room facilities for the range, while **Bowhunters Unlimited** maintains the archery range proper, including the trails and targets. The purpose of the club is to promote archery and bow hunting. The club has two primary sources of income: annual membership fees and the nominal fees for the club-sponsored shoots. The club cycles these moneys back into the club operations, which include:

- the supplies and materials for maintaining and improving the archery range (for example: targets, bales, target shelters, target backstops, trails, and bridges)
- costs associated with the club shoots
- club administrative operating expenses.

Bowhunters Unlimited sponsors **3-D shoots on Tuesday evenings**, April through September, weather permitting. We begin shooting about 5:30 to 6:00 p.m. and shoot two arrows at each of 14 3-D animal targets. Children under 12 shoot for free. The club also sponsors several 3-D shoots on weekends throughout the year.

Periodically, **Bowhunters Unlimited** organizes volunteer work parties to preserve and enhance the quality, safety, and appearance of the range for the benefit of all of the archery enthusiasts who use it. The continued success of **Bowhunters Unlimited** depends on members to contribute their talents and energy during range maintenance activities and club sponsored events.

Member Benefits

- **Bowhunters Unlimited** members are entitled and encouraged to vote for club officers.
- **Bowhunters Unlimited** members enjoy the following money-saving discounts:
 - reduced fees for all club-sponsored shoots, both Tuesday night league and weekend 3-D shoots
